Document No: 2.11

FROM: THE STEWARDS

TO : Francesco BALLARINI, No 15

The Stewards, having received a report from the FIA Technical Delegate (Annexe 1), have considered the following matter, determine the following:

Driver: Francesco BALLARINI, #15

Competitor: Francesco Ballarini

Time: 13:50

Session: After Practice 1

Fact: the race weight of Car #15 (Francesco BALLARINI) was verified and found to be below the minimum weight declared in the PF Technical Sheet (FIA-PF-ID.Y7C2.593.104).

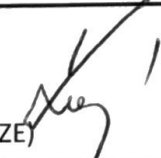

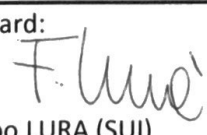

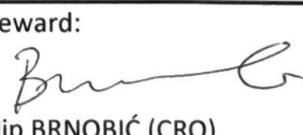

Offence: Breach of Art.258-1.16.4 of the Appendix J.

Decision: A fine of 250 € which is suspended until the end of the 2026 season, according to article 21.1.14 of the EHC Sporting Regulations

Reason: The PF Technical Sheet specifies a weight of **535** kg, whereas the car was measured at **530** kg upon arrival at the finish line (a deficit of 5 kg). To ensure accuracy, the car was weighed three times with the following results: 530 kg, 529 kg, and 529 kg. The highest recorded value (530 kg) was used for the final assessment.

A recalculation of the Performance Factor using the actual weight of 530 kg was performed. This adjustment does not move the PF value outside the group boundaries

The Competitor is reminded that he has the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
